Custom Colours

If you require specific colours to meet your project requirements, contact us to discuss options.

*Printed colours are as accurate as possible but are for guidance purposes only. Please ensure that you request a swatch sample from Kingspan to view accurate colour prior to specification. ** The TSR and LRV percentages listed above are accurate at the time of printing. Please note that these values are subject to a tolerance of ±5%. Factors such as production tolerances, natural weathering and environmental conditions may impact the quoted TSR and LRV values. For the most up-to-date values, we recommend referring to the Colorsteel website, where any revisions or updates will be reflected. It is important to verify the current values prior to making any decisions or selections based on these metrics. www.colorsteel.co.nz*
